SFL Game Day Oval Expectations

Just a reminder for all spectators, parents and players to make sure we adhere to the game day oval requirements for insurance and safety reasons during game time. The below rules applies to all games that are played on a full oval. This includes under 11 boys in the minis league and all teams that play for premiership points and Saturday and Sunday Games.

If you are a spectator at any oval to please follow the below rules.

- NO ONE is allowed to be on the oval during game time.

All spectators MUST be behind the fence of the oval at all times during game time.

- Please do not sit on the Gutter of the oval.
- Please do not lay or sit on the grass of the oval
- Please do not lean on the fence on the inside of the oval

If you are NOT behind the fence that means that you are on the oval.

No one is allowed in the coaches box unless you are on the team sheet as an official, coach or player of the game. This also includes the U11 Minis teams.

If you are NOT on the team sheet, you should not in the coaches box during the game. This includes the time keepers box.

During quarter time breaks, you are allowed on the oval but please do not approach any players or coaches or any game day officials and umpires. Please stay 10 meters away from the huddle.

If you are asked to move away or move off the oval, please do so.

The above rules are in place to protect our players and coaches as well as to comply with our insurance requirements. If a spectator is on the oval during a game and the Spectator is hurt, the club is NOT insured. The Club is only insured for the players and all officials on the team sheet on the oval.

If you have any questions, please ask your team managers

PLAYING RECORDS:

Over the years Robert Lloyd and Allan Jolly have kept playing records for Reynella Football Club. You can find records to the end of 2023 on the Facebook page [Home of the Mighty Wineflies](#). You will find lots of history of Reynella Football Club on this page managed by Allan Jolly, RFC and life member.

Over the years Rob and Allan have kept the club informed of milestones. In season 2024 Sarah Lapere has a spreadsheet tracking players expected to hit milestones this season.

Please Note: playHQ records are inaccurate and is not used by the club. Many players are missing seasons worth of matches especially for players that have been playing for the last 10+ years. For newer players that have started since the introduction of playHQ would be accurate.

We do not keep records of players games at other clubs only Reynella Football Club.

Men that have played over 100 senior games can be found on our website and women over 50 games. The page is updated at the end of the season for current players. Check it out here: [RFC Playing Records](#)

Concussion Management: AIS Updated March 2024

The Australian Institute of Sport (AIS) made recommendations for changes in concussion management in sports. In March the AFL introduced a new concussion management policy for all levels of football reflecting these changes. The SANFL and community sport accepted these changes and these changes have been implemented at all levels.

Any player suspected of concussion will be removed from play and referred off for medical assessment. All players that have sustain concussion or are suspected of having concussion will enter a minimum 21 day return to sport guideline and medical clearance required before return to contact training, after day 14.

You can find links to all the resources of information on the concussion page of our website. <http://www.reynellaafc.com.au/concussion>.

There has been a lot of development in concussion knowledge and this will continue with the amount of research being undertaken. Concussion management protocols will continue to change to protect player health.

If you get the chance to hear Paul Seedman's story about how he is still struggling from his second career concussion it is worth the listen.

Reynella Football Club is a community-based club. We rely on amazing volunteers who keep our club successful both on and off the field.

Thank You to our committees, coordinators and volunteers who do a fabulous job getting our club running. Many of these people are working full-time jobs as well as doing work for our great club during work breaks, after or before work hours and many hours done during the night as well as being at the club multiple days in a week.

Please do not take our club for granted. We are successful because of the people in the club.
